3. Weather

Four Distinct Seasons

Korea's climate is considered a continental climate from a temperate standpoint and a monsoonal climate from a precipitation standpoint.

The climate of Korea is characterized by four distinct seasons: spring, summer, fall, and winter.

In Korea, November is usually classified as fall. Busan is warmer than other cities in Korea. Below are the average temperatures of Busan in 2022 and the past average temperature from 1991 to 2020.

Period	Average Temperature	Highest Temperature	Lowest Temperature
Nov. 2022 in Busan	14.4°C	19.8°C	10.4°C
Nov. 1991-2020 in Busan	11.9°C	16.6°C	8.9°C

4. Time Difference

Seoul is 9 hours ahead of GMT (standard time).

5. Electricity and Voltage

The voltage used in Korea is 220 volts with 60 Hertz. 2-round-pin plugs are used, so please purchase a plug adapter in advance if you use a 2-flat-pin or 3-flat-pin plug.

6. Traveler's Insurance

All participants should purchase overseas travel insurance before coming to Korea.

7. Currency

The currency of the Republic of Korea is the Korean won (KRW).

As of July 2023, 1 USD equals roughly 1,260 KRW.

You can find out the Korean currency and exchange information on this website:

<https://english.visitkorea.or.kr/svc/contents/contentsView.do?vcontsId=140040&menuSn=374>

8. VAT

A Value-Added Tax (VAT) is levied on most goods and services at a standard rate of 10% and is included in the retail price.
